only for purposes of clarification. There has been no change from
s. This change applies to all tables in which major issues are pre-

Industry group

All industries

MANUFACTURING

Primary metal industries
Fabricated metal products (except
and transportation equipment)
Ordinance and accessories
Electrical machinery, equipment
Machinery (except electrical)
Transportation equipment
Lumber and wood products (except
Furniture and fixtures
Stone, clay, and glass products
Textile mill products
Apparel and other finished products
and similar materials
Leather and leather products
Food and kindred products
Tobacco manufactures
Paper and allied products
Printing, publishing, and allied
Chemicals and allied products
Products of petroleum and coal
Rubber products
Professional, scientific, and com-
photographic and optical goods
Miscellaneous manufacturing industries

NONMANUFACTURING

Agriculture, forestry, and fishing
Mining
Construction
Trade
Finance, insurance, and real estate
Transportation, communication, and
Services--personal, business, and
Government--administration, protection

- 1/ See footnotes 4 and 5, Table
2/ The figure on number of
than one stoppage in the year.
3/ This figure is less than
groups have been counted in this
among the respective groups.
4/ Not available.
5/ Stoppages involving manufacturing
public utilities."

TABLE 5.—Work stoppages by industry group, 1951
